Bought an age-restricted item? The person receiving it must be at least that age or older, and may be asked for valid ID.

If you've changed your mind and need to return an item, our returns policy applies to most items. You've got 30 days from the day after the date of collection or delivery to return your item. Your item needs to be:

- Unused and with all original components;
- In its original packaging (with the tags if applicable); and
- In a re-saleable condition.

We'll refund payments for returned items, including outbound standard delivery charges, if all items in an order are returned. If you want us to collect an unwanted item after delivery, it costs £30 for large items and £3.95 for small. You won't be charged if the item is faulty, or it was delivered by a supplier.

Once returned, please allow 14 days to be refunded. Refunds will be processed by the original payment method.

This doesn't affect your statutory rights if something is faulty or if you decide to cancel your order. For full details see our [returns policy](#).
